

How to verify your identity using the Credas app

The Credas mobile app has been designed to be secure, quick and easy to use, enabling you to **verify in less than a minute.**

1 Receive an invite via email or SMS

2 Click the link to download the app

3 Enter your unique code

4 Enter your email

5 Check the details

6 Read & accept T&Cs

7 Select take a selfie

8

Take a selfie

9

Copy the action*

**Our passive liveness technology automatically determines whether it is a live and present person. However, if this fails they will be asked to take a second selfie and perform a unique action.*

10

Select scan ID

If you're unsure about what ID document(s) are required or why you've been asked to complete a verification, please contact the business that sent the request.

11

Select ID document

Don't forget to have your photo ID to hand

12

Scan ID document

13

Check the scan is clear

Make sure your ID is readable and clear with no glare or blur

14

Start NFC Scan

15 NFC Scan Started

16 NFC Confirmation

17 NFC Summary

18 Select personal details

19 Enter personal details

20 Click submit to finish

21 All Done!

No data is held in the app.

Simple. Slick. Smart.
